REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art does not teach an adjusting apparatus for projection, comprising, in combination with the additionally recited features, a carrier, having a central screw hole and three rounded indentations around the central screw hole; an adjusting frame, comprising a plane section having a circular concave for accommodating a ball bearing and three screw holes corresponding to the rounded indentations, three angle-adjusting bolts, respectively inserting through the screw holes to abut against the rounded indentations, a holder, placed below the base section of the adjusting frame and having at least one positioning screw hole corresponding to a slot of the adjusting frame with a bolt, through the slot and screwing to the positioning screw hole.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher E Mahoney whose telephone number is (571) 272-2122. The examiner can normally be reached on 8:30AM-5PM, Monday-Thursday.
